

Comfort Zone Camp Clean-up at Cushing Memorial Park - Framingham MA

Saturday, May 04, 2019, 8:00 AM - 12:30 PM

This project benefits **Comfort Zone Camp**, a 501c3 that transforms the lives of children who have experienced the death of a parent, sibling or primary caregiver. CZC provides programs free of charge that help to break the emotional isolation grief often brings. Check out the link to below to learn more about Comfort Zone Camp.

www.comfortzonecamp.org

On May 4th, join us at Cushing Memorial Park in Framingham to help prepare the park for their Summer visitors! We will be beautifying the grounds by mulching, planting, raking, cleaning trash and other grounds needs! This project is kid friendly, so please bring along your family! Please note that in addition to the digital waiver that must be completed, The City of Framingham requires all volunteers on site to fill out a waiver that you can download and fill out prior to our event.

GET SOCIAL! Follow **Comfort Zone Camp** on social media!
